

Intelligent Power Distribution Cabinet Equipment Manufacturer in Democratic Republic of Congo

Article Overview

Key manufacturers and suppliers of intelligent power distribution cabinets in the DRC include E-abel, MCA Congo, ENGELEC-RDC Sarl, YoAhorroEnergia, and Brilltech Engineers Pvt. Ltd.

E-abel

E-abel specializes in customized power distribution cabinets designed for African operating environments. Their cabinets are made from high-quality cold-rolled steel with anti-corrosion treatments, ensuring durability under high temperatures, humidity, and dust. They support intelligent controllers, interlock devices, and protection components for low-voltage systems and comply with IEC standards. E-abel's solutions integrate multiple power sources, including mains, PV, and generators, with interlock logic to ensure uninterrupted power supply, making them ideal for industrial and factory applications in the DRC .

MCA Congo

MCA Congo SARL, a subsidiary of the MCA Group, provides motor control centers, switchgear, variable speed drives, transformers, and automation solutions. They manufacture low and medium voltage switchboards, including customized substation solutions, E HOUSES, and containerized generator/solar solutions. MCA Congo is a li...
