

Recommended Belgian cable trays

Article Overview

Trayco and Vergokan are leading Belgian suppliers offering high-quality cable trays in fiberglass, stainless steel, aluminum, and galvanized options.

Top Belgian Cable Tray Suppliers

Trayco specializes in 100% Belgian cable trays, mesh trays, and cable ladders. They provide tailored solutions for industrial and commercial projects, including advice on installation and material selection. Trayco's products are available in various materials and configurations, making them suitable for both standard and complex cable management needs. Vergokan (Atkore) offers a wide range of metal cable support systems, including cable trays, wire trays, cable ladders, and fire-resistant systems. Their products are designed for industrial applications and come in stainless steel, galvanized steel, and other surface treatments to meet specific project requirements. Øglænd System provides cable trays in stainless steel, galvanized steel, aluminum, and fiberglass (FRP/GRP) composites. Their trays are suitable for both onshore and offshore projects, with various heights, widths, and slot patterns for efficient cable positioning. They also offer comprehensive accessories and fittings for stable and compact installations.

Material Considerations

- **Fiberglass (FRP/GRP):** Ideal for corrosive environments and outdoor installations. Offers high durability and low maintenance.
- **Stainless Steel:** Suitable for high-load and industrial applications, resistant to corrosion and heat
