

Selected Manufacturers of Explosion-proof Distribution Boxes in Albania

Article Overview

Atex Delvalle and R. STAHL are key suppliers of explosion-proof distribution boxes suitable for hazardous areas in Albania.

Key Manufacturers and Suppliers

1. Atex Delvalle Atex Delvalle specializes in custom-made explosion-protected local control stations and distribution boxes, including stainless steel (AISI 304L and 316L) and GRP enclosures. Their products are ATEX and IECEx certified, suitable for Zone 1, 2, 21, and 22 hazardous areas. They offer flexible configurations, allowing multiple control elements, push buttons, switches, and meters to be mounted under a single actuator. The enclosures are designed for extreme temperatures and outdoor conditions, ensuring robust performance in industrial environments . 2. R. STAHL

- STAHL provides terminal and junction boxes for hazardous areas, offering both standard and custom-made solutions. Their products are certified for global installation standards and are designed to safely conduct, connect, and distribute energy in explosive atmospheres. R. STAHL's enclosures are suitable for a wide range of industrial applications, ensuring compliance with safety regulations . 3. Local Albanian Suppliers While Albania has limited domestic manufacturers specifically producing explosion-proof distribution boxes, companies like VIBTIS and other industrial suppliers provide pipes, fittings, and industrial goods that may include or facilitate the integration of explosion-proof enclosures in local projects . For specialized ATEX-certified equipment, international suppliers like Atex Delvalle and R. STAHL are commonly used in Albania....
