

Singapore Distribution Box Manufacturing

Article Overview

Singapore offers a range of high-quality distribution box manufacturers providing metal and thermoplastic enclosures for industrial, commercial, and residential applications.

Key Manufacturers and Suppliers

1. Asiatic Group / Hensel Products Hensel specializes in thermoplastic distribution boxes and enclosures designed for harsh environments. Their products, such as ENYCASE, ENYBOARD, ENYSTAR, and ENYMOD Mi, offer IP65 to IP67 protection against dust and water, UV resistance, and flame-retardant properties. These distribution boxes are suitable for low-voltage power distribution, commercial buildings, industrial sites, and outdoor installations. Hensel enclosures are customizable, double-insulated, and comply with IEC standards, ensuring safe and reliable energy distribution in demanding conditions .
2. Sunlink Engineering Sunlink Engineering manufactures metal distribution boxes using precision CNC laser cutting, bending, and controlled welding. Their DB boxes are widely used in industrial, commercial, marine, and infrastructure projects. Sunlink provides full customization for dimensions, material, opening layout, and surface finishing, ensuring robust structural integrity and project-specific solutions. Their products are designed for safe, organized, and reliable electrical distribution in challenging site environments .
3. BSE Electrical Supplies BSE Electrical Supplies offers metal distribution boxes, although availability may vary. They provide standard and custom enclosures suitable for housing electrical panels, circuit breakers, and control components, cat...
