

Which company makes the best flame-retardant ladder cable trays in China and Europe

Article Overview

Top manufacturers of flame-retardant ladder cable trays include ALOIS Composites, Oglaend System Group, Meka Pro, EAE Electric, and NewReach, offering high-quality, fire-resistant solutions in Europe and China.

Leading European Manufacturers

ALOIS Composites is a premier European producer of fiberglass-reinforced cable trays, known for high-strength, lightweight pultruded profiles suitable for corrosive and industrial environments, including chemical plants and offshore platforms . Oglaend System Group supplies fiberglass trays engineered for extreme conditions, providing excellent corrosion resistance and fire retardancy, widely used in oil & gas, marine, and industrial sectors across 50+ countries . Meka Pro specializes in fire-resistant cable support systems tested according to EN 1363-1 standards. Their products ensure critical electrical systems remain operational during fires and are designed to avoid toxic flue gases . EAE Electric offers GRP (Glass Reinforced Plastic) cable trays and ladders that are lightweight, corrosion-resistant, halogen-free, and self-extinguishing (UL 94 V0 rated), making them ideal for high-temperature and chemically aggressive environments .
