

Which company makes the best long-span cable trays in Eastern Europe

Article Overview

BAKS (Poland), Niedax Group (Germany), and Trayco (Europe) are among the top providers of long-span cable trays in Eastern Europe, offering high-quality, durable, and customizable solutions.

BAKS (Poland)

BAKS has been designing and manufacturing professional cable route and installation systems since 1986, with a strong focus on long-span cable trays. Their products are globally recognized for durability, precision, and fire-rated reliability. BAKS offers advanced online tools for load simulation, cable filling, and project cost estimation, making it easier to select the most suitable cable tray systems for complex installations. They also provide a Revit model database for efficient electrical design integration and support E90 fire-rated installations for up to 90 minutes .

Niedax Group (Germany)

The Niedax Group is a well-established European manufacturer with over 100 years of experience in cable management systems. They offer a wide range of steel, aluminum, PVC, and GRP cable trays, including long-span solutions suitable for industrial, energy, and transportation sectors. Niedax emphasizes customized solutions, technical consulting, and project planning, ensuring compliance with European standards such as EN 61537 and ISO 9001. Their subsidiaries, including Spina Group (Italy) and FEMI-CZ (Czech Republic), enhance their presence in Easter...
